Subject

Extending the provisions of the Public Conveyance Regulation to the Hassan Town Municipality.

In forwarding herewith copies of the resolutions passed by the Managing Committee and the Municipal Council of Hassan, re· the above, I have the honour to state that for want of suitable bye-laws to regulate and control public conveyances, the Municipality has no control over the hackney carriages and the public also are very much inconvenienced by having to deal with unscrupulous and ill-experienced drivers, maintaining rickety vehicles, not to speak of the loss that the Municipality has been incurring in not levying any driving license fees To guard against the above defects, it is proposed by the Municipal Council to frame suitable byelaws for regulating and controlling public conveyances within the Municipal area. I request therefore that sanction of Government may kindly be accorded to extend the provisions of the

the Public Conveyance Regulation VII of 1911 to the Hassan Town Municipal Council, so that draft bye-laws may be framed and submitted for sanction in due course.

I have the honour to be,
Sir,
Your most obedient servant,

President,
Town Municipal Council, Hassan
